### Songkran festival

My wife and I traveled back to Chiangmai in April this year for Songkran festival. 3 days of water fights music and family fun. Thai new year and what a great way to celebrate. Every body has water pistols. I'm lucky to have family there so got to do it the local way. We had a pick up truck ,every one got in the back. We had drums of ice water and if we go driving around Chiangmai.

### So much fun!

The songkran festival was so much fun with a mix of thai people and travellers all playing waterfights together. Or prepared to be soaked, and when I say soaked I mean SOAKED! but it's lots of fun. Word of advice keep all your belongings in a water proof bag or they will be ruined.

If you are young or young at heart, you will love this. if you are more mature/older, you will hate this

If you are young or young at heart, you will love this. if you are more mature/older, you will hate this. I live in Chiang Mai and this was my first Songkran. I didn't know what to expect. It's a massive water fight. No one is exempt. Water guns are used as are small buckets of water and even occasioanly hoses. You aren't even safe if you are on a bike or motorbike!

### great fun if you participate

Excellent if you are ready to get into the spirit of a wild water fight. Not any fun if you mind getting soaked as you walk around.
