Run to the Teacher

John and Mary have 3 children. Their kids want to take a high speed Roller Coaster. John wants to take his family to go there. It will be his first time to go and it will make his childhood dream come true.

Alice likes to tell her daughter a fairy tale every night before she goes to sleep. Her daughter loves the Snow White and the seven dwarfs. She wants to see the dwarfs' cottages. Alice will take her to visit them.

Malee's American friend, Rita, will visit Thailand next week. She loves nature. She asks Malee to take her to do elephant riding.

Owen is a photographer. He likes to take a photo of nature. He wants to go for a walk in the forest and take a photo of rare animals and plants.

Thomas and his friends come from England. They will go back home next week. They want some Thai local products for their families.

Jane, a teacher of M.2 students, asks her students about the place that they want to visit. The students tell her to take them to see the performances of the animals.

Next Saturday is Bob's birthday. He will be 7 years old. His favourite animal is a dolphin. His parents want him to be happy on that day. They plan to let a dolphin kiss Bob.

Andy wants his children to learn about marine animals. He thinks they will be excited to walk amongst the ocean's fiercest predators. He will take them to visit there soon.
