My bedroom

My favorite room in the house is my bedroom. As you get into my bedroom the first thing you see is my bed. It's red and it's got a purple bedspread, a brown blanket, a long pillow and a cushion on it. My cat is always sleeping on it. On the day I took this picture there was a dirty sock and a rugby ball on it too.

As I love cars, there's a poster with cars above my head, on the wall behind my bed and a toy car on the chest of drawers to the left of my bed. Next to the toy car I also have my football trophy, a blue cap on my PSP. There's a shelf above the chest of drawers and next to it there's a window. I love looking out of the window because I can see the park opposite my house, Where I often play with my friends. There are trees and flowers there. Below the window there are two sockets.

The floor of my bedroom is made of wood and is brown. I've got a rectangular green carpet on it. I love building model planes on that day there was a plane, a box, glue and some paint on the floor, in front of my bed, I was building my new Douglas DC-9.

I didn't mention it but my room is a bit messy. So, on that day, my other sock and my football boots were on the floor and my baseball bat was against my bed footboard.

Maybe it's not very tidy but it's the best bedroom in the world.

A bedroom's picture.
