Scott and his friends' routines

Alison/Scott: Hey Louis!

Louis: Hi guys!

Alison: You always come to school early. What time do you get up?

Louis: I get up at half past five every day.

Scott: Wow! That is so early.

Louis: Yes. I get up early to practice football every morning. It's part of my routine.

Alison: Do you go to bed early too?

Louis: Well, yes, if I don't have lots of homework.

What about you? What time do you go to bed?

Alison: I always go to bed after 11 o'clock and I usually get up at half past six.

Alison: What about you, Scott?

Scott: Well, I don't always get up early. I work in a restaurant after school and....

Alison: Oh right. You play the guitar at the Steak House.

Scott: Yeah, I work there on Mondays and Thursdays.

So I get up a bit late the next morning.

Alison: How can you always come to class on time then? Do you have breakfast?

Scott: Well, I skip breakfast if I wake up late. I take a shower very quickly.

Then I drive to school. But when I wake up early, I catch a bus to school.
