Tape script 2

Hi, welcome to speak English naturally. My name is Joe. And today we're going to talk about my family. I'm going to tell you about my family. And I'm going to ask you about your family.

In my family, there are five people, my mother, father, brother, sister and me. How many people are there in your family?

My brother is younger than me. He is 27 years old. And I'm 31. My sister is 33 years old. So she is 2 years older than me. Do you have any brothers or sisters?

My family lives in Australia. My mother, father and brother live in Australia and I live in Greece. My sister lives in Singapore. But we've grown up in Australia. Where does your family live?
