Direction: Read this passage silently. And then answer the questions.

Shopping at the Supermarket

Here I am at the supermarket. I'm Sara and I'm with my daughter, Claire, She loves supermarkets and I like them, too. My husband doesn't like supermarkets. That's why he is at home reading the newspaper. Let me see. I like apples and coke. Claire prefers grapes and orange juice.

For breakfast, I like milk.

Claire likes yoghurts of all kind. I also like vegetables: lettuce and carrots

Do you like fish? My daughter prefers fish to meat.

By the way, do you like shopping? What do you like to buy when going shopping?
